(feat. D'Angelo)

[Intro - D'Angelo]

Ohhh, ohhhh...

I wanna get closerrrrr to you, baby...

Ohhhh, ohhhh, ohhhh...

Ohhhh, ohhhh, ohhhh...

[Chorus - D'Angelo]

You have come so far

You've got so far to go (Yeah)

Say it again!

You have come so far

You've got so far to go (Yeah)

OHHHHHHHHHHH!

[Verse 1 - Common]

Ugh, ugh!

Sweetheart, you know that you most

Important, at least on the West Coast (Huh!)

I'm just trippin', it's somethin' about your throat

You think different and understand how I float

Got cribs on both Coasts

But, I'm a Chicago-getter

You (Get Down), but you ain't a (Golddigger)

You got the soul with the figure to match

Your girlfriend said, "Yo, that dude is a catch!"

Creative with the gifts, plus he hit it from the back!

(Ugh!)

And places we ain't supposed to

We make the music - baby, you on the vocals

International lover, I never stay local

Go to places that you never been

Beautiful outside, even better when it's in

You have arrived, girl - you can come again!

C'mon!

[Chorus - D'Angelo]

You have come so far

You've got so far to go

Say it again!

You have come so far

You've got so far to go
OHHHHHHHHHHH!

[Verse 2 - Common]

You sexy, I know brothers try to spit to you

But, I'm the only one that can get to you
Lifting you, my drive is shifting you
I opened you free, it's like a gift to you
I truly am thickly and thankful
And as long I'm in your town, I'mma stay
(Faithful) (Heh!)
You know I can't escape you
No matter how far, you're still my star
You was there when the marks tried to steal my car
Snappin' with me, that's just how real you are
Sophisticated woman, you understand a man
You don't call all the time just to see where I am
Put a "G" in your hand, make sure you're livin' alright
Makin' love is me and I'mma give it all night
Turn over in the morning, make it warmer and better
Long as we can be, we can come together
C'mon!

[Chorus - D'Angelo]

You have come so far
You've got so far to go
I don't believe you heard me, baby!
You have come so far
You've got so far to go

[Bridge - D'Angelo]

Go on, go on then!
Go on - go on, girl!
Go on, go on - go on, baby!
Go on, baby!
Go on, girl!
Ahhhhhhhhhh!

[Chorus - D'Angelo]

You have come so far
You've got so far to go
You know what I mean, baby!
You have come so far
You've got so far to go
You have come so far
You've got so far to go
You have come so far
You've got so far to go
