How can I say this? Fuck it - I'm the Greatest.  
I am the A-list for all these great debaters.  
A lot a y'all nah nah, forgot na, who I am.  
The '87 nigga used to rah rah in the jam.  
-Aw Yeah. We put them things in the air.  
When I drop a single, it's really like a pair  
of Air -Jordan's, important to the culture.  
If you aint true to it - callate la boca.  
Get my drink on like a coaster,  
Post up on the wall that Mike used to live off  
Hip Hop master, Clinton-I'mma get my shit off.  
Rollin' in a Maserati Gran with the lid off.  
I b'dall like a mobster -  
Live nigga this is my encore, encore ,encore...

[Intro]

You know they be asking 'bout Common, where he at?  
I'm doing what I do, hip hop, thats what I do  
Yeah

[Common - Verse 1]

How can I say this? Fuck it - I'm the Greatest

Hip Hop master, Clinton-I'mma get my shit off  
Rollin' in a Maserati Gran with the lid off  
I b'dall like a mobster -  
Live nigga this is my encore, encore ,encore...  
I rhyme for the commoners  
My name's synonymous with prominence  
I'm to hip hop what Obama is to politics  
Common is...

Yeah, man, y'all niggas man, you soft mutha  
Yeah my man, muthafucker

Then come around my crib  
You know where I'm from  
Some hoes ass niggas  
Singing all around here man, la la la  
You aint no muthafuckin' Frank Sinatra  
Uh, lil bitch  
Yeah, this the raw right here  
This the raw right here nigga  
Sweet muthafucka  
Sweet ass bitch muthafucka

[Common - Verse 2]

Wa da da da, ba dada dada day  
The C-O double-M O-N, I'm not playin'  
Da da man at work, I made my own lane  
I'm the franchise so I rock my own chain  
No I. said give 'em that 80â€™s cocaine  
Somethin' raw, somethin' pure so I stayed in that vein  
The hero that he know, that he cold  
like winters below in the Geo, wipe ya feet off in the  
Regal  
I'm king, observe the throne and the dream  
I have it, supreme like mathematics  
Yeah, I rep the fresh air for you asthmatic rap addicts  
Pro black magic, this is semi-automatic  
Rap we won't jam in traffic  
The game need direction, I'm here to map it  
Uh, some people say that they be missing creativity  
But when it come to hip hop, it begins and ends with  
me  
Sweet

[Outro]

You know-You know that, you should know where I  
come from  
You should know who I am nigga  
Where did you go...You should never wanna go against  
me  
You know man, you too soft for that man  
I be seeing you man, I see it in your eyes man  
You aint the type of nigga that can go against me  
You get in my presence you gon' feel like a little hoe  
You aint a man yet nigga, you tryna be somebody else  
Man, be yourself man, you come around my crib, you  
get your shit took  
Huh, wherever you go, you probably be overseas in  
Europe and get yo shit took  
You's a hoe, you know you sweet  
Aint nothing you can do man, people see that man  
Broads be seeing you sweet  
Done wit' you muh, it's over for you

It's over for you. It's over, sweet muthafucka
