(Ft. J. Period)

[Intro]

Com Senseâ€¦

J. Periodâ€¦

I met this girl when I was ten years oldâ€¦

I had a dream

Dreamed since I was a kid

[Verse 1]

I'm movin' yes I'm movin' on the motor turn it over

I met her when I was ten as I began to grow older

Exposed to the culture, culture that would change me

With the mic check I paint a picture like Banksy

Concrete rose growin' through homes and floors

On a paper chase, I found out I was chose

A fetish for clothes, success and blessin' the 'hood

The struggles of an emcee progressin' through the

good

Music for the 90s, 2000s and beyond

It started with me wantin' niggas to say "he can rhyme"

If now is my time then now is forever

Change-the-world raps and the style is gettin' better

Revolutionizing, rising above the game again

My career is fading in, like a DJ on a blimp

Women love the voice, brothers dig the lyrics

This is hip-hop, y'all - we drivin' for the spirit

[Outro]

No I.D. is in the houseâ€¦

Twilight Tone, he's in the houseâ€¦

J. Period is in the house, yeahâ€¦

Kanye, he's in the house, yeahâ€¦

G.O.O.D. Music, we in the house, yeahâ€¦

J. Dilla, he's in the house, andâ€¦

Yo, The Roots, they in the house, andâ€¦

Kristin Mills is in the house, yeahâ€¦

Com Senseâ€¦

J. Periodâ€¦

I had a dream

Dreamed since I was a kid

I represent the real hip-hopâ€!  
They said hip-hop is dead, I'm here to resurrect thee  
I met this girl when I was ten years old  
And what I loved most, she had so much soul
