I look at kids I used to know  
And how they are today  
All fucked up on narcotics  
They're lives are in decay

[Chorus]

I don't want your drug culture  
That shits not for me  
A fucked up mind and a wasted life  
Is something I don't need

I don't want to take those pills  
Or shoot into my veins  
LSD and PCP  
Will only kill my brain

[Chorus]

You keep on telling me  
How it is completely safe  
Let's see how fucking safe it is  
When you're laying in a grave

[Chorus]
