Jumping over turtle shells it makes you feel good,
Avoid falling in the trap like you should,
It's not a competition cuz this game is getting old,
Hit the restart button cuz it's time to fucking fold
Your always
One up
One up on me,
One up
One up on you
It's a one dimension story in three dimension time,
I'm staring blankly at the screen I can't believe this
crap,
Is it all fun and games to you?
Are you having a good time?
I'm laughing in your face because you'll never ruin
mine
I can't believe this crap,
There's no reason why you should try to hang on,
Your always
One up
One up on me,
One up
One up on you
