(Go!)

Go, go, go, go, go and on the count of three

(Go!)

Go, go, go, go, go and on the count of three

(Go!)

Go, go, go, go, go, go on the count of three

Everybody run back to your fantasy, now

(Go!)

Go, go, go, go, go and on the count of three

(Go!)

Go, go, go, go, go and on the count of three

(Go!)

Go, go, go, go, go, go and on the count of three

Everybody run back to your fantasy, now

(Go!)

She was a bad, the type at the club niggaz would grab  
her

(Go!)

Fantasized when I had her

In the bathroom sweatin' with her ass up

(Go!)

The body of a dancer, we had chemistry

'Cuz she was a Cancer

Thought forever it would last for

But forever move faster, so I had to

(Go!)

Still I gotta pause

When I think about her in dem draws

(Go!)

And a baby, she liked it raw

And like rain when she came it poured

(Go!)

And like a car that I can't afford

I would want it then want some more

The positions our frames explored

Let me know she was secure

Back for more I wanna

(Go!)  
Go, go, go, go, go and on the count of three  
(Go!)  
Go, go, go, go, go and on the count of three  
(Go!)  
Go, go, go, go, go, go on the count of three  
Everybody run back to your fantasy, now

(Go!)  
Go, go, go, go, go and on the count of three  
(Go!)  
Go, go, go, go, go and on the count of three  
(Go!)  
Go, go, go, go, go, go and on the count of three  
Everybody run back to your fantasy, now

(Go!)  
Freaky like the daughter of a pastor  
Said I was bait for her to master  
(Go!)  
Little red corvette now she was faster  
Wet dreams, Le'maire cream the bathroom

(Go!)  
We make love and then laughter  
And anyway I wanted I could have her  
Said there were some girls that did attract her  
A new chapter she was after so I said let's

(Go!)  
To a place that you wanna be  
Get what you want from her and me  
(Go!)  
Free love I wanna see  
Hot sex in the third degree

(Go!)  
You gettin' served while servin' me  
Dirty words encourage me to  
Rock steady and sturdily on  
You turnin' me no turnin' back the further we

(Go!)  
Go, go, go, go, go and on the count of three  
(Go!)  
Go, go, go, go, go and on the count of three  
(Go!)  
Go, go, go, go, go, go on the count of three  
Everybody run back to your fantasy, now

(Go!)  
Go, go, go, go, go and on the count of three  
(Go!)  
Go, go, go, go, go and on the count of three  
(Go!)  
Go, go, go, go, go, go and on the count of three  
Everybody run back to your fantasy, now

Go! Go! Go!  
Go! Go! Go!  
Go!
