(Go)
Go, go, go, go, go and on the count of three
(Go)
Go, go, go, go, go and on the count of three
(Go)
Go, go, go, go, go, go
Uh, on the count of three
Everybody run back to your fantasy, now

(Go)
Go, go, go, go, go and on the count of three
(Go)
Go, go, go, go, go and on the count of three
(Go)
Go, go, go, go, go, go
And on the count of three
Everybody run back to your fantasy, now

(Go)
She was a bad, the type
At the club niggaz would grab her
(Go)
Fantasized when I had her
In the bathroom sweatin' with her ass up

(Go)
The body of a dancer
We had chemistry 'cuz she was a Cancer
Thought forever it would last for
But forever move faster, so I had to

(Go)
Still I gotta pause
When I think about her in dem draws
(Go)
And a ooh baby she liked it raw
And like rain when she came it poured

(Go)
And like a car that I can't afford
I would want it then want some more
The positions our frames explored let me know

She was secure, back for more I wanna

(Go)

Go, go, go, go, go and on the count of three

(Go)

Go, go, go, go, go and on the count of three

(Go)

Go, go, go, go, go, go

Uh, on the count of three

Everybody run back to your fantasy, now

(Go)

Go, go, go, go, go and on the count of three

(Go)

Go, go, go, go, go and on the count of three

(Go)

Go, go, go, go, go, go

Uh, on the count of three

Everybody run back to your fantasy, now

(Go)

Freaky like the daughter of a pastor

Said I was bait for her to master

(Go)

Little red corvette now she was faster

Wet dreams Le'maire cream the bathroom

(Go)

We made love and then laughter

And anyway I wanted I could have her

Said there were some girls that did attract her

A new chapter she was after so I said let's

(Go)

To a place that you wanna be

Uh get what you want from her and me uh

(Go)

Free love I wanna see uh

Hot sex in the third degree uh

(Go)

You gettin' served while servin' me uh

Dirty words encourage me to

Rock steady and sturdily on, you turnin' me no

Turnin' back the further we

(Go)

Go, go, go, go, go and on the count of three

(Go)

Go, go, go, go, go and on the count of three

(Go)

Go, go, go, go, go, go
Uh, on the count of three
Everybody run back to your fantasy, now

(Go)
Go, go, go, go, go and on the count of three
(Go)
Go, go, go, go, go and on the count of three
(Go)
Go, go, go, go, go, go
Uh, on the count of three
Everybody run back to your fantasy, now
