It's time to plant the seed

Hip-Hop's the tree and I'ma fig it

Figure it out, the mic, I'm rippin it like a ligament

Gimme a light a Bud Light, and shit'll get lit just like a cigarette

I'm a b-boy so don't test me, many rappers don't impress me

You try steppin into my city I'll, Snipe em like Wesley

So you best be on your way, I'm dooper than Marion

Berry, hey
Wake up everyday and make-up rhymes but I'm not
Mary Kay
Some say I'm dope as fuck, some label my rhymes
incest
My flex is kinda mean yo, so hey kid, CATCH
These nuggets, these nuggets, these nugget ugget
uggets
With some peas and a hole in the bucket (cool, cool)
Dear Liza, Minelli, I jam like jelly and I got
Helly what, helly what, HELLY RHYMES
I can remember times when for a 40 I had to beg for
bucks
Nobody really gave a, so I had to beg for fucks
Now what do niggaz do when they got not food
Skibbidy skap and busta bust a rap
So I pick up the pen and then begin the thoughts to get
to pumpin
Hopin like all the people let me talk, let me say
somethin
Cause nothin for nothin leaves nothin, I got nuthin to
lose
I put, nuttin in my notes, I'm not your host when I got
nuttin to use
Dues gettin credited, now I debit my bank account
Not on a blind date, could I see me taken out
By some glutteus, glutteus, maximus, maximus
I'm spas-ta-gis-a-mister-gis a mister-gis-ta-spas-ta-gis
Spectacular, the papes I Count like Dracula
You can't cut the rug, because you suck, MC Vacuum
Up
Rappers I skip on like Walter Payton
Their ain't no way or half-step, and flex a rhyme like a
bicep
Some steps with concepts, but umm, WHO cares
Not even the damn People Under the Stairs

[Twilite Tone]

Doo-doo-doo-doo-doo-doo, here I come, here I come
(what?)
A-doo-doo-doo-doo-doo-doo, here I come, here I come
(yeah!)
I'm comin around the mountain high as lower than a
valley

I'm the cat, from the alley, from the back, I'ma rally
And tally up points, rollin joints, risin to the tops
Somewhat of a playwright, cause like a stage I got
props
My crew's a strange brew, a drink a day'll keep the
stink away
We been through AA, but hey, what can I say?
Say say say, what you want, but you'll pay the con-se-
quences
Cause Mister Common Sense is (yeah)
Not gonna take it, so leave you better believe it
Even if your name ain't Ripley, cause Ripley don't know
diddley
Hit me one time, two times, for the U-AYYY-C
Heyyyyyy, but anyway
I hit a skid, and I peel out like MC Eiht, damn I kill it
Earn my money the old fashioned way - I steal it
Stop thief in the temple, I hit em with a blow
Somebody done stole my beeper but I'ma steal the
show
I'm throwin a Heidi Hoe into a bro and tellin her
Go for what you know bruh, the people before me go
under
Yo we gotta gotta get we gotta get we gotta get
Gotta get, gotta gotta gotta get get over
Somewhere over the rainbow, I'm still the same old
same old
Ringin around the collar, borrowin a dollar, check my
balls
Dirty drawers, see the kitty suckin titties
Video watchin lush from the city
I'm the extra-terrestrial rappers go home cause they
have to
Them marks be callin Ork, come in Ork, Nanu Nanu
The perfect stranger, comin in to a, fuck a new land
Cause Jeffrey where Osborne, and see I'm only human
Doin anything to make a buck, what the fuck I gotta
Do what I gotta go (*echoes*)
