Album: The Hotel Cafe

It doesn't have to be clever

It doesn't have to be true

Doesn't have to be a guilty pleasure

Doesn't have to be true

Doesn't have to make sense

Doesn't have to be funny

Doesn't have to make sense, no

It just has to make money

Oh

We sigh

Oh

Still we try too hard

Try too hard

Try too hard

Try too hard

Try too hard

Try too hard

Try too hard

Try too hard

It doesn't have to say "no"

It doesn't have to say "yes"

Doesn't have to have anything to show

It doesn't have to be the best

But hey, there's no pressure

To perform or compete

No there's no cautionary measure

To diminish your defeat

Oh

Bands on the radio sigh

Oh

Still you try too hard

Try too hard

Try too hard

Try too hard

No, that's not the way it should be

No, it should come off so easy

No, that's not the way it should be

Doesn't have to be clever

Doesn't have to be new

Doesn't have to do whatever

Doesn't have to be true

Still you try too hard
Still you try too hard
Try too hard
Try too hard
Try too hard
(Repeat 3x)
