Face suicide at the gates, keep your evil away!
From the mother of civilization. For resolve to compel!
UNDER A LUMINOUS SKY!!!
Play the role of your holy God. To destroy for belief!
While these subsequent uprisings, continuing until
present day!
UNDER A LUMINOUS SKY!!!

They kill, for the sake of killing,
To reach a new, and better reality.(x4)
Warning of the danger approaching!
Those who act under illusions!
Cycle of violence that never ends, there is no way to
varify.
Door to a truce is open, but only when the last soldier
leaves,
But only when the last soldier leaves!!

They kill, for the sake of killing,
To reach a new, and better reality!(x2)
Those who identify themselves in, the locked
dimension of the turmoil!
Divisiveness so bittersweet and so cold! SO
COLD!!!!!!!!!!!!
