I want to play with you tonight  
Hold me, that's all  
That's on my mind  
Baby, something feels so right  
Maybe we could play tonight

I want to be so  
In love with you  
I want to do just  
What you want to do

I want to be all that to you  
I got a dream and  
You can make it true

[CHORUS]  
Cause I, I'm fascinated  
By your love, boy  
And I'm fascinated  
By your love toy  
I'm fascinated by  
The way you make me feel

[Repeat CHORUS]

Love me until the morning light  
Please me, make me feel alright  
Kiss me, let me make you mine  
I love it, loving you sometime

Come on, come on  
I want to be with you  
Come on, come on  
I won't get over you

I want to do just  
What you want me to  
I got a dream and  
You can make it good

[Repeat CHORUS 2x]

I, I'm fascinated  
By your love, boy  
And I'm fascinated  
By your love toy  
I'm fascinated by  
The way you make me feel

[Repeat CHORUS]

I, I'm fascinated  
By your love, boy  
And I'm fascinated  
By your love toy  
I'm fascinated by  
The way you make me feel

[Repeat CHORUS to fade]
