Once upon a time when we were friends
I gave you my heart
The story ends -
No happy ever after now we're friends.
Wish upon a star if that might help

The stars collide if you decide

Wish upon a star if that might help.
What's it like to have loved and to lose her touch?
What's it like to have loved and to lose that much?
Well
I hope and I pray that maybe someday
You'll walk in the room with my heart.
Add and subtract but as a matter of fact
Now that you're gone I still want you back.
Rememberingsurrendering

Remembering that part - all of my heart.
Spilling up in silk and coffee lace

You hook me up a rendezvous at your place

Your lipstick and your lipgloss seals my fate.
Sentimental powers might help you now
But skip the hearts and flowers
Skip the ivory towers

You'll be disappointed and I'll lose a friend.
No
I won't be told there's a crock of gold at the end of the
rainbow

Or that pleasure and pain

Sunshine and rain might make this love grow.
But I hope and I pray that maybe someday
You'll walk in the room with my heart.
Add and subtract but as a matter of fact
Now that you're gone I still want you back.
Remembering - surrendering

The kindest struck the coolest heart - all of my heart.
Yes
I hope and I pray that maybe someday
You'll walk in the room with my heart.
And I shrug and I say that maybe today you'll come
home soon.
Surrendering - remembering

Surrendering that heart
All of my heart - all of my heart.
