Ahhh, soup
I said to go do what you wnt to
Don't let anyone stop you
But you gotta make a little money
Make a little D.O.L.L.A.R.
My friends, i've yet to know
Where the hell they are
BRIDGE
Do you know me, boys?
Do you know me, girls?
Do i know me, me?
Do you know me, world?
So, i sid boyds will be boys
And they'll keep on the fighting
Girls will be girls
And they'll keep on delighting
Abby 6 is in the mother loving house
Yeah
Chorus
There's gotta be a better way
There's gotta be a better way
Gotta be a better way
Crazy little message sends my sunshine.
Where's groovae?
I found sunshines free
There's plentae
My twenty, my twenty
Is kinda squintae
And then the planets line up
As a sign of good luck for me
Yeah! five years
Maybe this year my friends
Will make much bucks.
BRIDGE
Chorus
Gotta be a better way,
Gotta be a better way,
Sunshine, sunshine yeah
Gotta be a better way,
Chorus
Where's groovae
