I-i would swim the seven seas

I-i would crawl upon my knees

I-i climb mountains high for you

I-i would guarantee your every dream come true

...come true

Oh i-i'm in love with you

Yes it's true

Oh i-i wouldn't cheat on you

Yes it's true

Oh i-i'm in love, I'm in love, I'm in love

With you...

I-i would drink an ocean dry

I-i would pluck the moon out from the sky

I-i would build a palace just for you

I-i could give you...park avenue

...park avenue

Oh i-i'm in love with you

Yes it's true

Oh i-i wouldn't cheat on you

Yes it's true

Oh i-i'm in love, I'm in love, I'm in love

With you...

I-i could travel back in time

I-i would kill a man to make you mine

I-i would leap the empire state

I-i'd win a war, just to conquer hate

...conquer hate

Oh i-i'm in love with you

Yes it's true

Oh i-i wouldn't cheat on you

Yes it's true

Oh i-i'm in love, I'm in love, I'm in love

With you...
