L-O-V-E, L-O-V-E, love conquers all  
L-O-V-E, L-O-V-E, love conquers all

Making like a Romeo, making on a Juliet (she said)  
Maybe you're a Montague, maybe you're a Capulet  
Maybe you don't trust me yet, let me light your  
cigarette  
Be you shark, be you jet, never forget that

Love conquers all (L-O-V-E love)  
Love conquers all (L-O-V-E love)

When Bogart saw Bacall  
He knew that love conquers all (L-O-V-E love)  
(Woah) It's only love, yeah  
Love conquers all

Making life a monument, making love a strategy (she  
said)  
Baby, you're so confident, why the hell you asking me  
Savages from hostile tribes, slug it out on alibies  
All for love, all just lies, open those eyes (sing)

Love conquers all (L-O-V-E love)  
Love conquers all (L-O-V-E love)  
When hate is strong, fear stands tall  
Love conquers all (L-O-V-E love)

(Woah) It's only love, yeah  
Love conquers all  
(Woah) It's only love, yeah  
Love conquers all

Anyone who loves you, anyone who breaks your heart  
Anyone who makes you feel this way  
Feelings deep enough to swim in, back stroke, or crawl  
It's just the beginning, love conquers all

Love conquers all (L-O-V-E love)  
Love conquers all (L-O-V-E love)  
You can beg, steal or crawl (L-O-V-E love)

But love conquers all

(L-O-V-E, L-O-V-E, love conquers all)

Woah (L-O-V-E, L-O-V-E, love conquers all)

Woah, L-O-V-E

(L-O-V-E, L-O-V-E, love conquers all)
