Poor love, poor love,
Poor love
Did you know your soul
It has no reputation
So you better hope your heart,
Hope it has reputation, yeah!
Chorus
Poor love, poor love,
It's my poor love, poor
Love, It's mine, poor
Love, it's mine, poor love
Did you know your eyes,
They have no destination
So follow-low your mind
And all it's complications,
Yeah!
Chorus
Check 'em out.
Check him out.
Even god had to come yeah
REPEAT
Kurt Kobain where's he at?
Just another taken.
REPEAT
Chorus
