#### Chorus 1

Where is that boy  
Where did he go  
Where is that boy  
Where did he go  
Where is that boy  
Where did he go  
Where is that boy  
Where did he go

#### Verse 1

I won't lie, i can't stand for this  
I got to believe but i believe i've been missed  
It's about the line you run your mouth all night  
It's 7:30 and you don't feel quite right  
Left home to be with the white ones  
Daddys worried because your friends aren't the right  
ones  
But you've got your head  
And the music's just a toy  
Tell me, tell me, where is that boy

#### Chorus 1

Short story but his is of an older man  
Kinney Winney was a coker, coker smoker fan  
Be he had a son, the government took him away  
A soft spot  
How much does the foster coster  
Sniff, sniff, smoke, smoke  
He lost ya

Where is that boy

#### Chorus 2

Sniff there goes your self esteem  
Boy - there goes your self esteem  
Where is that boy  
Where did he go

#### Repeat Verse 1

If you won't to ride don't ride the white horse  
She likes me high, she likes me low  
She likes me where i'm going, and i'm going to show

#### Chorus 2

Step off the train  
I'll go back there

Where's he at  
Where is that boy
