It's cold outside - The night love died  
On the night you murdered love  
It's cold outside - The night love died  
On the night you murdered love  
From an early age  
I was taught to respect  
That a broken heart girl  
Ain't a thing you collect  
Close your eyes and say  
Nothing lasts a day  
You're wasting my time  
Yet I love to love you  
Close your eyes and say  
Honour love obey  
You're wasting my time  
Yet I love to love you  
It's cold outside - The night love died  
On the night you murdered love  
It's cold outside - The night love died  
On the night you murdered love  
January... February... March and April May  
June July sees you go by  
I see love walk away  
Didn't use a blade  
A bullet or a gun  
You poisoned the moonlight  
When you put out the sun  
Close your eyes and say  
Nothing lasts a day  
You're wasting my time  
Yet I love to love you  
Close your eyes and say  
Honour love obey  
You're wasting my time  
Yet I love to love you  
It's cold outside - The night love died  
On the night you murdered love  
It's cold outside - The night love died  
On the night you murdered love  
January... February... March and April May  
June July sees you go by

I see love walk away  
Close your eyes and say  
Nothing lasts a day  
You're wasting my time  
Yet I love to love you  
It's cold outside - The night love died  
On the night you murdered love  
It's cold outside - The night love died  
On the night you murdered love  
It's cold outside - The night love died  
On the night you murdered love
