Vandals in ermine  
Rip city skylines  
Dodge truth and virtue  
With slick city bylines  
A paragon of virtue  
Until they hurt you  
In power and in status  
We know they hate us  
So where is the heaven  
And where is there love?  
Where the hell is the heaven?  
That you're so proud of  
Power is preaching  
The virtues of poverty  
Poor are left feeding  
On cruel comedy...sad laughter  
Rescue us all now  
From fumes that choke us  
Shift then these sad lives  
Into sweet focus  
So where is the heaven

And where is there love?  
Where the hell is the heaven?  
That you're so proud of  
Prestige it sits high  
On mammons alter  
Porsche hungry pinheads  
On champagne and oysters  
Head full of hollow thoughts  
Handful of sushi  
Plug into dallas babe  
Plug into dynasty  
So where is the heaven  
And where is there love?  
Where the hell is the heaven?  
That you're so proud of  
Now I am loving  
Where once I was hating  
Leading a good life  
Stopped paging satan  
Played devils advocate  
So many times  
Lived in the shadows  
But the sun will shine. shine. shine  
So where is the heaven  
And where is there love?

Where the hell is the heaven?

That you're so proud of

Where is the kingdom?

You say we squander?

Where the hell is the heaven?

Must we wait much longer?
