Oh, oh, oh, oh

Baby, I'm hooked, uh huh
Right into your love, uh huh
Are you ready for mine
Are you ready, are you ready

Look what I got
Good loving so hot
Come on, let me show you

Ooh, there are no words that
Can express the way I feel now
And I want you to know

I need you in my life, ooh, baby
I need you, baby, I really do
My love is true
I need you in my life
In my life, baby, you know

Baby, I'm hooked, uh huh
Right into your love, uh huh
Are you ready for mine
Are you ready, are you ready

Look what I got (come here, baby)
Good loving so hot (give me love)
Are you ready for mine
Oh, oh, oh, oh

Baby, I'm hooked (I'm hooked)
Right into your love
Come on, let me show you

Cause there are no words that
Can express the way I feel now
And I want you to know

I need you (I need you)
In my life (in my life)
I need you, baby (baby)

I really do, my love is true

I need you (I need you)
In my life (in my life)
I need you, baby (said I do)
I really do, my love is true
(I really do)

I want you, I need you (girl)
I need you, baby, I really do
(I love you) my love is true
(I love you)

I want you, I need you (girl)
I need you, baby (I love you)
I really do (I love you)
My love is true (I really do)
I need you in my life (baby)

Baby, I'm hooked (I'm hooked)
Right into your love
(Right on your love)
Are you ready for mine
(Let me show, let me show you)
(Let me show you)

Look what I got (got this love)
Good loving so hot (got this life)
Come on, let me show you
(I wanna give it all to you)

(Baby, baby)
Baby, I'm hooked (I'm hooked)
Right into your love
(Right on your love)
Are you ready for mine
(There's so many things
I want to show you, show you)

Look what I got (oh, baby)
Good loving so hot (oh, baby)
Come on, let me show you (woo hoo)

Baby, I'm hooked (I'm hooked)
Right into your love
(Right on your love)
Are you ready for mine
(Are you ready, are you ready, baby)

Look what I got (oh, baby)
Good loving so hot (oh, baby)

Come on, let me show you
(Let me show you, let me show you)
