Yeah, yeah
You're the finest girl in town
So fine

She's my girl
She means everything
(Everything to me)
There's nothing that I
That I wouldn't do
(If she asked me)

I'll try
Give her what she wants
Everytime that we're together
I'll try
Give her what she needs, ooh

Baby's got a burning love
Burning, burning love
Ow, ow, ow, ooh
Baby's got a burning love
Burning, burning, burning love
Ow, ow, ow

Baby love
She's an eyeful of delight
So right

I'm the one who will
Take her out tonight
That's right

Then I'll take her home
And we'll kiss and hug
(Tell her what you like)
When the morning comes
We'll kiss goodnight
And say I love you

I'll try
Give her what she wants
Everytime that we're together

I'll try
Give her what she needs, oh

Baby's got a burning love
Burning, burning love
Ow, ow, ow
Baby's got a burning love
She's got a burning love
Burning, burning, burning love
Ow, ow, ow

Burning

Ow, ow, ow

I'll try
Give her what she wants
Everytime that we're together
I'll try
Give her what she needs, oh

Baby's got a burning love
Got the burning love, yeah
Ow, ow, ow
Baby's got a burning love
Burning, burning, burning love
Ow, ow, ow, yeah, yeah...

Baby's got a burning love
Baby's got the burning love
Ow, ow, ow
Baby's got the burning love
Burning, burning, burning, burning, baby
Ow, ow, ow

She's the finest thing in town...
