How can you just sit and be cool  
The music's grooving  
And it's making me move

Come on, get up  
(Hey, hey, hey)  
Come on, get up

How can you just stay in your seat  
The music's calling  
So get up on your feet

Come on, get up  
(Oh, oh, well)  
Come on, get up

[CHORUS]  
Chase me  
Chase me, honey, all right  
You can chase me  
Chase me through the night

[Repeat CHORUS]

Can't funk it tomorrow  
So funk it tonight  
If you're gonna do it, yeah  
You can do it right

I'm checking my meter  
And there's nothing sweeter  
So put on your dancing jogging shoes  
I assure you you just can't lose  
You got to

[Repeat CHORUS]

Come on

[Repeat CHORUS]

So come on

[Repeat CHORUS]

Come on

[Repeat CHORUS]

Grooving with people  
They're treating me right  
Shaking the ceiling, yeah  
On a dancing night

Look at my mama  
She's been out all night  
Chasing my daddy, hey  
In the sweet moonlight  
You got to

[Repeat CHORUS]

You can chase me  
Chase me, honey, all right  
Come on, chase me  
Chase me through the night

You can chase me  
Chase me, honey, all right  
Come and chase me  
Chase me through the night

Got to chase me  
Chase me, honey, all right  
You can chase me...
