You hide in your room
You won't share your love with nobody else, well, well
You feel safe and warm
Locked in a world that you made for yourself

Don't you think it's time
You tried to find
Someone (Someone) to take care of you, oh

Let me put love on your mind
Let me be the one to put a smile in your life
Let me put love on your mind
Let me put love on your mind

You can't go on
Hiding your feelings your whole life through, oh, yeah
You're being half a woman
Oh, until love becomes part of you, yeah

Don't you think it's time you tried to find
Someone (Someone) to fulfill your needs, oh (Yeah,
yeah)

Let me put love on your mind
Let me be the one to put a smile in your life
Let me put love on your mind
Let me put love on your mind

Don't you think it's time you tried to find (Oh, yeah)
Someone to fulfill your needs, oh (Needs, yeah)

Let me put love on your mind
Let me be the one to put a smile in your life
Let me put love on your mind
Let me put love on your mind

Let me put love
(Oh, baby, yeah)
(Make you feel safe and warm, safe and warm, yeah)
Let me put love
(Oh, baby, yeah)

Let me put love on your mind
