The magic of your smile
Lights my candle
The tenderness we share
Lets me know that you care

Something 'bout the way your
Touch moves me with gladness
Makes me happy, baby
And in the sweetest way
Chases away all the sadness

[CHORUS]

Some right, some wrong
Sweet nights, sweet songs
It's so weak but so long
It's too tight and too strong

Million dollar feeling
Comes all over my body
Ah, sing it to the ceiling, Lord
So we know what you're humming

Cast your faith in my direction
Lay your sweet hand in mine
So glad I'm your selection, Lord
I think our love stands
Any test of time, oh

[Repeat CHORUS]

Something 'bout your loving
Something 'bout your loving

[Repeat CHORUS 3x to fade]
