

## Conells "Home Today"

Coming home today,  
A season spent away,  
It is hard for me to see,  
Hard for me to say.  
I like your face,  
But I can't anymore.

It was quite a time  
And I'm sure that I'm  
Feeling very clear for me,  
Very clear for you.  
I like your face,  
But I can't anymore.

Let's do it again.  
I will recall  
There are things  
I could have done.  
I will recall  
There are things  
I should have shown.

Did you find the time  
To keep us both in mind?  
Did you wander far from me,  
Wander far from you?  
I like your face,  
But I can't anymore.

Let's do it again.  
I will recall  
There are things  
I could have done.  
I will recall  
There are things  
I should have shown.

To dream is not to say  
I'll take it anyway,  
A year is song enough for me,  
Yet here we are today.  
I like your face,

But I can't anymore.
