Oh the family has gathered at least the ones that  
matter

To mourn the loss of dear Sue

They saw her last night, she was feeling alright

She likes it this way I am sure

There is nobody's arms like dear Sue's arms

Just look here and see

I'm here for the ride any old time

I'll see you there, I'll see you there

I'll see you there, in shadows I see you in there

Daddy has manners he's brown as leather

And tough like a hickory tree

If son is a barn, then daughter is yarn

And another is an MD

She's fit to be tied when the family arrives

Just look here and see

I'm here for the ride, any old time

When you know a lady like this kind of lady

You know you've quite a find

A person of rarity, genuine as charity

Always a smile in her eye

There is nobody's charm like dear Sue's charm

Just look here and see

I'm here for the ride any old time
