My brother told me
What had happened on that day.
Although I knew,
The feeling did not hit me right away.

Then I fell asleep into a dream and thought that it was
real.
And I knew that it was alright, I knew that he was
alright.
Fell asleep into a dream and thought that it was real.
And I knew that it was alright, I knew that he was
alright.
And all seven knew that I would never see him again.

My brother told me
What had happened on that day.
Although I knew,
The feeling did not hit me right away.

The time was wrong, the feelings strong
Will I see you today?
And I thought of what we said, and I feel it too,
Will I see you today?

And I thought I heard you speaking as I fell into a
dream.
And I knew that it was alright, I knew that he was
alright.
Thought I heard you speaking as I fell into a dream.
And I knew that it was alright, I knew that he was
alright.
Then all seven knew that all here would see him again.

So long, so long...
Then I fell asleep into a dream and thought that it was
real.
And I knew that it was alright, I knew that he was
alright.
Fell asleep into a dream and thought that it was real.
And I knew that it was alright, I knew that he was
alright.
And all seven knew that all here would see him again.
