There's always that one person  
That will always have your heart  
You never see it coming  
'Cause you're blinded from the start  
Know that you're that one for me  
It's clear for everyone to see  
Ooh baby, you will always be my boo

I don't know about y'all but I know about us  
And, uhh, it's the only way we know how to rock  
I don't know about y'all but I know about us  
And, uhh, it's the only way we know how to rock

Do you remember girl, who was he?  
One who gave you your first kiss  
'Cause I remember, girl who was the one  
Who said put your lips like this  
Even before all the fame and people screaming your  
name  
Girl, I was there and you were my baby

It started when we were younger and you were mine  
(My boo)  
Now another brothers' taken over  
But it's still in your eyes  
(My boo)  
Even though we use to argue it's alright  
(It's alright girl, that's okay)  
And if we haven't seen each other in a while  
But you will always be my boo

Now if you loved when we were younger you were mine  
And when I see from time to time I still feel like  
(That's my baby)  
And if I see you no matter how I try to hide  
(I can't hide it)  
And even though there's another man who's in my life  
You will always be my boo

Yes, I remember boy  
'Cause after we kissed I could only think about your lips  
Yes, I remember boy

The moment I knew you were the one I could spend my  
life with  
Even before all the fame and people screaming your  
name  
I was there and you were my baby

It started when we were younger and you were mine  
(My boo)  
Now another brothers' taken over  
But it's still in your eyes  
(My boo)  
Even though we use to argue, it's alright  
(It's alright girl, that's okay)  
And if we haven't seen each other in a while  
But you will always be my boo

My ooh, my ohh  
My ohh, my ohh  
My boo  
My ooh, my ohh  
My ohh, my ohh  
My boo

It started when we were younger and you were mine  
(My boo)  
Now another brothers' taken over  
But it's still in your eyes  
(My boo)  
Even though we use to argue it's alright  
(It's alright girl, that's okay)  
And if we haven't seen each other in a while  
But you will always be my boo

I don't know about y'all but I know about us  
And, uhh, it's the only way we know how to rock  
I don't know about y'all but I know about us  
And, uhh, it's the only way we know how to rock
