Ive seen a thousand years
Pass before the eyes
The docket has been lost
As time slips slowly by

Oh here I come
To see the light of day
No, I cant face the day

I dont want to see myself
Die in so much pain
Youth eternally
Let me be young again

Oh here I come
To see the light of day
No, I cant face the day

Cant you see, you must
You must find the answer in me
Your youth lies not in the flesh
Eternal life comes after your death

So find your eternal life
Ive come to show you how
Cant you see, oh, cant you see
The time has come, the time is now

Cant you see, you must
You must find the answer in me
Your youth lies not in the flesh
Eternal life comes after your death

So find your eternal life
Ive come to show you how
Cant you see, oh, cant you see
The time has come, the time is now

Now I see what Ive been after
Eternal life
The secret is death

Eternal life
The secret is death
