I see myself in front of you  
Time and time again  
I hope when the time comes  
That you will let me in

I would take back all the time spent  
Without you 'cause i'd be alone forever  
Or we could be together

Take back all the time spent  
Without you 'cause i'd be alone forever  
Or we could be together

All i need to know is you  
I don't want to miss a thing  
Everybody knows and everybody sees  
You are the best of me (2x)

Can it be you and me? (I swear i will wait)  
Can it be you and me?

Can it be you & me  
Sooner or later  
I swear i will wait till the end (2x)

I realize that without you  
I'm alone until the end  
You've been right by my side  
Always there again and again

There is no place i would rather be  
You're on my mind every moment of every day  
But i can't find the words to say (2x)

All i need to know is you  
I don't want to miss a thing  
Everybody knows and everybody sees  
You are the best of me (2x)

Can it be you and me?  
Can it be?

Can it be?

Can it be you & me

Sooner or later

I swear i will wait till the end (3x)
