Hey how are you
I've got something I've got to say
Please forgive me
If it doesn't come out the right way
I know neither of us here is to blame
But the fire's gone away

Hey baby don't go
Things happen I know for a reason
We'll build it back slow
But baby don't go

How will it be different
Tell me I've got to know
Cause if we don't change then I'll have to go

And life flies by too quickly
To idle time
I don't know you'll be fine

Hey baby don't go
Things happen I know for a reason
We'll build it back slow
But baby don't go

I don't know you'll be fine
I'll be fine
We'll be fine
