In a crowded place
I see just your face
and it looks so familiar
I can't get to you, though I'm trying to
there are just too many barriers

but I only see you in all that I do
to the rest I am blind
and I don't want something
new other than you
for the rest of my life

people talking loud I can't hear the crowd
you are so much more appealing
I'll be honest girl, you've become my world
and I'll spend my life exploring

cuz I only see you in all that I do
to the rest I am blind
and I don't want something
new other than you
for the rest of my life

promise I'll always be there for you
if you give me a chance
promise I'll never be less than true

and I only see you in all that I do
to the rest I am blind
and I don't want something
new other than you
for the rest of my life
