She looks kinda small,
And she lives on my wall
And I stare at her all day.
Her picture's in my mind,
And she occupies my time
In all kinds of ways.

That smile on her face,
Takes me to that place
Where I don't wanna leave...

Imogen you are an angel sent from heaven to me
God made you perfect and I thank him for my Imogen
Bailey

A princess from above, I've never been in love
With a girl like you before
If you came down from my wall and I saw you at my
door
I wouldn't be lonely anymore

That smile on her face,
Takes me to that place
Where I don't wanna leave...

Imogen you are an angel sent from heaven to me
God made you perfect and I thank him for my Imogen
Bailey

If you walked into my room and I told you
That you were the most beautiful girl in the world
What would you do? What would you say?
Maybe it will happen one day.
