I thought of you and I know that it was wrong,
But I don't care so I'll hold my head up and I'll move on.
You're always there when I need you and now I can't
forget that.
You're touch is all that I want. All I want.

Then you go away.
How I wish that you would stay.
You caught me out and now
What's there left to say?

I've only known you a short while
But still it feels like I've known all of my life.
I'll wait an hour just to see you smile.
I'd wait a lifetime, just so I could touch your face... feel
your grace.

Then you go away.
How I wish that you would stay.
You caught me out and now
What's there left to say?

I feel your pain,
Your sunshine and your rain.
I feel no shame.
I'll admit that I feel this way.

Then you go away.
How I wish that you would stay.

My only one...
