Touch me like you know me  
You know that I want you too  
Kiss me like you miss me  
I've be gone for so long  
Can wait to get my hands on you

Kiss my like you miss me  
Can 'till you turn off  
But baby who you turn off  
Yee  
Kiss me like you miss me  
Yee you got me right here  
You 'aint got to wait no more  
Kiss me like you miss me  
Kiss me like you miss me  
Let me hear that some more  
Now put that in '  
You can lay on the floor  
Got a hole ... stick in  
Go ahead and go shot it  
Just give something too  
Now  
I really show wow  
But I really want you  
I see that look in your eyes  
Cause I've been away  
It's been hard it take  
Yee girl it's write on your face  
She got a total glow

And it's bad

So all this presents give  
As long as I give back
