This is for y'all too, come on I've watched you grow before you walked, since day one
[Benzino] (You the greatest dad!) and youse the greatest son (Come on slow down dad, I'm tryna stay young)
The day will come when you'll have kids and raise them Well aight, I'ma teach ya how to play and win (huh)
Follow ya first thoughts and never think again (aight) We Made Men from the womb, and you're a jewel (alright)
Now I don't want you to see the things I been through (ha) We got haters in life, they'll try an play you (okay)
Never get emotional, think, remain cool (alright) Follow rules - you'll have it all, the plane too (aight)
Last of all (huh) don't let money change you (yeah) [Chorus: Case] If ever your travels get lonely
(and if ya don't know, now ya know) Your troubled and feel all alone Remember virtues I share with you
(come on come on, you too dad) And let your life shine like the son [Benzino] I'ma give you answers to ya questions,
yup Like why it's important when havin sex to use protection You a blessin, and I'll always guide you
Not just Iverson, I'm ya role model There's more to life than money; morals and values And there's rules in life
it's important you follow Like; never borrow - touch what ain't yours, unless you got to And help mom with the chores,
be responsible Never follow, believe -- just watch the things ya father do When they see you, they see me
Can you spit like ya dad? [Ray Ray] Yeah it's easy - A-B-C, 1-2-3 Turn the beat up, time to heat up
Son of a G, from the B Microphones like food I eat 'em Time for dinner, I'm a winner Y'all can't stop me, y'all beginners
[Chorus: Case] (and if ya don't know, now ya know) If ever your travels get lonely Your troubled and feel all alone
Remember virtues I share with you And let your life shine like the sun [Benzino] Sometimes moms

gets mad, it's not funny, don't laugh When you're right
okay, when you're wrong that's yo' ass Not cause I want
to, son understand Moms could teach you everything,
but how to be a man Youse a champ, I'm the champion
(I'm a prince) but I'm the king on the throne [Ray Ray]
Let it be known, we gon' shine (uh-huh) Check this
watch, man ya know the time (aight) Time to get mine,
oh you didn't know? (what) Sit back, check the
