Plus your speakers dump that real shit
To blow out your tweeters pull out your
Heaters if your cold warm it up get it

Hands get em up I gets rough ride I
Get it raw like never before hard core
Explore nigga to knock down your door
It seems you can't take no more so
Stick em up now give it up to get
Your nigga's buck what the fuck I
Struck a match I tip my hat to the

Day all day I count big ass cash it's
Just I keep on comin with it I know

And Benzino back on a fuckin mission
Oh no nigga I'm back with another
Dose and if you niggas don't know I
Rock coast to coast I hit you with a
Click-clack and a pick-pack niggas
Wanna do that and they said that I
Did that the D-A to the Z and Mr.
Dillinger willin to fuck a reese
Now my niggas you know who run the
Streets everytime I come around to
Your club or the spot we got it hot
All my niggas and bitches why don't
You yell it out {Daz} and if you
See me coast to coast don't act
Like you seen a ghost just scream
It out

[Chorus]:

Benzino temperature is risin I want you inside me

Boy you got me burnin and I can't hide this feeling I'm

Coat for D-A-Z at the crib
With L-T feelin doggy-style

Everytime I come around
Your clubs or your spot we
Get it hot all my niggas and
Bitches why don't you yell it out
{Daz} and if you see me coast
To coast don't act like you
Seen a ghost just scream it out

[Chorus]

[Benzino]:

Now here we go again let's
Get this dough again fuck

Keep it comin and West they

See me coast to coast don't
Act like you seen a ghost
Just scream it out

[Chorus]
