Personent hodie  
Voces puerulae  
Laudates jucunde  
Qui nobis est natus

Personent hodie  
Voces puerulae  
Laudates jucunde  
Qui nobis est natus  
Summo Deo datus

Ideo, ideo, ideo gloria in excelsis Deo

His the doom, ours the mirth  
When he came down to earth  
Flower of Jesse's tree  
Born on earth to save us  
Him the Father gave us

Ideo, ideo, ideo gloria in excelsis Deo

Is airiu agus a leanbh cad a dh'fáinig anfaidh má  
Tá tairi ar shiá uaim agus airi

Jesukin  
Lives my quiet cell within  
Thou in me dwelling  
All is lie but Jesukin

Jesu of the skies  
My little one, Thou my delight  
I with Thee, Thou with me  
Next my heart through every night

'S airi  
Who hangs from yonder passion tree?  
Your son, dear Mother  
Do you not know me?

Judas, James and John  
Have you seen my only son?  
Ochon! My eyes are blind

Ochon! My heart is wrung

Stella Maris, Semper Clara  
Rosa Munde, Res Miranda  
Misterium Mirabile

'S airiÃ© agus ochon!  
Sad I am till you return  
To have you at the break of dawn!  
Ochon airiÃ©  
Without you
