Where love and loving-kindness are together, God is
always there
Since Christ's love has gathered us all together in one
company,
Let us rejoice and take delight n Him, now and forever,
Let us now without any reserve or deception love one
another.

Where love and loving-kindness are together, God is
always there,
Therefore, whenever we are together,
Let us not be divided from each other in our feelings;
Let spite, quarreling and strife cease among us, and
may Christ, who is God, be in our midst.
Where love and loving-kindness are together, God is
always there

Bring us, in the company of the blessed, to behold Your
great beauty,
To see Your face in glory, Christ our God,
There to possess heaven's peace and joy, Your truth
and love,
Happiness of immeasurable excellence,
Through unending ages of ages, world without end.
