I don't know any poetry
How can I show
What he means to me

[CHORUS]

Oh, Mr. Songwriter
Write me a song
I want a song I can sing
A song that will bring him to me

Make up some words
That are all in rhyme
Words that will live
'Til the end of time

[Repeat CHORUS]

A song like Bless You
Write me a song like
I Don't Wanna Cry

A song to tell him
Without him
I just wanna die

Make up some words
That are all in rhyme
Words that will live
'Til the end of time

[Repeat CHORUS]

A song like Bless You
Write me a song like
I Don't Wanna Cry

A song to tell him
Without him
I just wanna die, die

Make up some words
That are all in rhyme

Words that will live
'Til the end of time

[Repeat CHORUS]

I want a song I can sing
A song that will bring him to me
I want a song I can sing
A song that will bring him to me
