and smash all them flee's

but im known to flee  
CHI - TOWN - N.Y.  
know them trucks is loaded  
ese open up the stash  
and slowly unload it  
then pack up the cash  
in my bitches lexus

this a straight out message

from your hood to blast  
then smoke em  
and get my money back  
ese flip with my stacks  
ese all in the trap  
cause im from HARPYS !  
by the rolling 20's ( nhb )  
muthafuckers know whats up  
with that dead end money  
and harlem 30's

ese decorate the hood ( 27st )  
at the hangout spots  
sling rocks boy  
like im slinging ink  
ese fuck high cowards  
and them soilders in pink  
ese muthafuckers shrink  
like some 501's  
when they hear C - O - N  
drove up with guns  
i toke a ton ( AZ )  
and then i smoke some more  
capone e's 2 sisters  
became my whores  
the H ran a train  
then shot them back  
with them hairy ass cunts  
armpits and backs  
on tour  
up in every hood ( southern california )  
cause when i spit that g  
vatos no whats hood  
so then i roll through L.A.

and this is what i see  
ese territorys deep  
full of WEST SIDE g's  
with a on going beef  
that bring death to the street  
wanted dead or alive  
whole car got heat ( west side car )

cause the gangs in my city  
put a whole in your back  
TOONERVILLE - FROGTOWN

COMPTON VARRIO 7 - O's  
LA TRES and FLATS ( cv tortila flats )  
RSP and the WILMAS  
always been on the map  
always been in the trap  
slanging that crack  
ese cooking the meth  
ese cutting the black ( heroin )  
them PACOIMA's and BLYTHE  
them SAN FER - CANOGA's  
them 818 gangs  
put your ass in a comma  
they rock it all up  
and spit a zone at a time  
ese ghetto millionares  
from just nickels and dimes  
F TROOP - DEL HIGH  
from the orange county  
VERDUGO i.e.  
BARRIO LOGAN s.d.  
gang wars  
you could die from one  
but when we in the system  
the SUR is one blood !
