â€|just a lion heart, so that's when the conspiracy and  
lying starts.

â€|that's when theâ€|andâ€|starts.

You can deny your part, but you â€|

And belong in an institute for the mental.

If you think you could dismiss me to the ghetto,

So we got an issue homie, that is a â€|

And may never, ever, so I see you while â€|

I gotâ€|letters, which you're spilling your gut,

I'm surprisedâ€|

But I'm in the cut, watching the whole board and

..interview,

Watch my â€|

The nextâ€| when I'll run into theâ€|

They'll agree toâ€|

It's â€|but not this time, next time I'ma name names

Cause I'm done playing all of these stupid kitty games

..is killing me.. they expect me to â€|down.

Just a word with my kid's sister, like I'mâ€|.

But I'm too much man, ever, ever go down town!

So you gotta be a full,
