I'm still on the case, and my rap is strong
I'm still on the case, and my rap is strong
I'm still on the case, and my rap is strong
I'm still on the case, and my rap is strong

Rap is good as artist...strong
So I'm still a target in the hood
Cause the way my songs glow
But I ain't a emcee that you can rob
So say hello to my new benz ...talk
Or should I say you be the same
Cause the game will never be the same
I got a packed house screaming when you act...
While the rest loves they glow like the ...
And I heard from a blonde through the great bind
That I got so many great lines
That after one cocaine line it missed the dawn so much
They do a soul train ...
So until day line, give me my own special
I'm front line with the 38 special
And I see I ain't the only one
So, free the homie...

I'm still on the case, and my rap is strong
I'm still on the case, and my rap is strong
I'm still on the case, and my rap is strong
I'm still on the case, and my rap is strong

It from Alexander of Queens to Alexander McQueen
To all the top designers you see in the magazine
To own a half of Queens and everybody on the north
side
It's my job to make sure cameras catch me when I'm ...
Of course I deserve my recognition
I'm the ...version of the Kobe system
I helped a few stars get rich
And got an L.A. Broad who told my broad she my bitch
Well how that...true word
So my motto ain't ... , hey
Don't try to play me out
Or you gonna find that everything we say we about

Cause for that club money in the safe
We'll have the police saying damn we're still on the
case

I'm still on the case, and my rap is strong
I'm still on the case, and my rap is strong
I'm still on the case, and my rap is strong
I'm still on the case, and my rap is strong.
