And if you love me why you listening to hearsay
Cause in the night you pack you things and mek you

And if you neva love me shoud a tell me right away
You neva hi me when me rapsa up de next day
Feel like a soccer when dem naah gi no air play
Like a piece a furniture you lef me pon de lay-a-way

Wid all de latin music a play
Di dinin' and di violin and le le

Cause I know you gonna have to make a 360 turn
All that standing on your own
