I wanna be yours babe, forever and ever, and ever,
and ever, and ever
this I promise you babe. Believe in every word I say.

you taught me how to love again, you keep on talk to
me babe,
when i needed a friend
to love is such a wonderful thing, not every body
knows,
exactly what it means.

I'll be there for you (I'll be there for you)
when you want me to (when you want me to)
I'll come running baby (I'll come running)
Baby, I'll be right by your side, and as long as the sun
shines
I'll be forever yours baby, for the rest of my life

I'll be there for you (I'll be there for you)
when you want me to (when you want me to)
I'll come running baby (I'll come running)
Baby, I'll be right by your side, as long as the sun
shines
I'll be forever yours baby, for the rest of my days

you taught me how to give and take, you're the only
one I know
that smiles at me, when I make a mistake
you go out of your wayyy to bring me joy.
Can't you see how happy I am, I feel like a little boy

I'll be there for you (I'll be there for you)
when you want me to (when you want me to)
I'll come running baby (I'll come running)
Baby, I'll be right by your side, as long as the sun
shines
I'll be there for you baby, for the rest of my life

I'll be there for you (I'll be there for you)
when you want me to (when you want me to)
I'll come running baby (I'll come running)

Baby I'll be right by your side, as long as the sun shines
I'll be forever yours baby, for the rest of my days

I'll be there for you, never let you down,
you can count on me, always babyyy yeah
I'll be there whenever you want me to be

you taught me how to love again, you even talk to me,
when i needed a friend, to love is such a wonderful
thing,
not every body knows exactly what it means.

But I'll be there for you (I'll be there for you)
when you want me to (when you want me to)
I'll come running baby (I'll come running)
Baby I'll be right by your side, (be right by your side)
and as long as the sun shines, I'll be there for you baby
just ring on the phone, I'll be right by your side

I'll be there for you (I'll be there for you)
when you want me to (when you want me to)
I'll come running baby (I'll come running)
Baby I'll be right by your side, (be right by your side)

if you say when, I'll be there... I'm gonna be right there,
for the rest of my life
every word I say baby, is the truth now!! ohh ohh ohh
