Watch this Beres!

Woman sing all about dere wanting this

Hear why!

Verse 1:

Thought I could live without you (Eh-eh)

Thought everything would be fine

Saw nothing special about you

But still you were plaguing my mind

I used to take you for granted

You were the last name in my life

Presently you're the most wanted

At the top of my life

And it was yesterday when

I saw you down my lady

You were with my best friend (Jealousy reign)

All ((trop-a-tane?)) (Talking game) (And!)

And now I'm falling in love

All over again, yeah

How could I ever doubt

That you were my friend (I'm)

Falling in love (Falling)

All over again (Over and over - Watch this!)

How could I ever doubt

That you were my friend (Beres!)

Who

Say that big man don't cry

Yuh never miss di water

Till yuh well run dry

Could yuh find it in yuh heart

To give me one more try

I wont abuse the situation

This time I wont lie

By mi nightly conversation

Also mi lullaby

Well she squeeze orange juice

An mi eggs well fried

Garments well cleaned

From mi socks to mi tie

She's a friend, also a lover

Dat mean me not feel shy

Me express meself

Straight up to the sky (Oh)

Who
Say that big man don't cry
Yuh never miss di water
Till yuh well run dry (Me say)
Who say that big man don't cry
Now I'm falling in love
All over again (Its only natural)
How could I ever doubt
That you were my friend (Eh-eh)
(But I'm) Falling in love
All over again (As I was saying)
How could I ever doubt
That you were my friend (Watch this!)
Woman unleash all yuh
