Forgive me my presumption  
Seems to be a problem here  
Cannot weigh it all ?  
But the signals crystal clear

O, like animals  
We hear the calls  
The curtain falls  
See thru them all ?

Why you never see me here  
Treat me like your dog  
Wait 'til the day i rise  
Never be your turn?

So i'm planning on a book  
O, tho you've demonised my eye's  
But i see right thru you baby  
You wont blind me from your lies

I failed to mention to  
These things that can't be said in words  
Yeah  
And you know your running out  
Why do it to me  
When clearly you can set yourself free  
And i can't give you that

Why you never see me here  
Treat me like your dog  
Wait 'til the day i rise  
Never be your turn? or undone?

So many roads of life left to define  
There's more to you  
Or more to outshine  
I must remind myself of one thing  
I climbed the mountain just to get the truth  
?  
Pay the price just no that were thru  
Now i'm running

Why. didn't i forsee the end  
Treat me like your dog  
Wait 'til the day i rise  
Never beeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeee...  
undone
