There used to be a greying tower alone on the sea  
You, became the light on the dark side of me  
Love remains, a drug that's the high and not the pill  
But did you know that when it snows  
My eyes become large  
And the light that you shine can be seen

Chorus

Baby, I compare you to a kiss from a rose on the grave  
the more I get of you, the stranger it feels yeah  
Now that your rose is in bloom  
A light hits the gloom on the grave.  
na na na, na na na na na na  
Baby, I compare you to a kiss from a rose on the grave  
the more I get of you, the stranger it feels yeah  
Now that your rose is in bloom  
A light hits the gloom on the grave.  
na na na, na na na na na na  
na na na na na na na na na
