Our worlds are all so dangerous
Don't you wonder off again
Let me take you by the hand and show you...the way

The fear
Tripping...over myself
Flying...no fights to wield
Sylvan....everything that I see ?
Climbing...I'm not just a pig...me ? (i'm just not a
playmate??)

I've gotta get outside myself
Gonna leave this human race
Gonna live like no one else
Listen just to what's inside of me

Lie down children
Dead or alive
Find you a ...?
Ohhh, good-bye ?

I've gotta get my mind on ?
Gotta get my mind on ?
Gotta get my mind on ?
Gotta get my mind on

Our worlds are all so dangerous
Let's go run around the hills... ?
Yeah
Let me take you by the hand and show you...the way

Don't fear...
Lie down children
Dead or alive
Find you a ...?
.... (no idea here) ?

I've gotta get my mind on ?
Gotta get my mind on ?
Gotta get my mind on ?
Gotta get my mind on...

Gotta get my mind on track... ?
Gotta get my mind on track ?
Gotta get my mind on track ?
..... (no idea here either) ?
