Costanza & Tricky:

If I say jump jump  
You say how high  
Standing like a mannequin  
Mannequins don't fly  
Don't swim don't grin  
Take it like a real man  
Take it fake it  
Then she ran  
I try to show you  
But I don't know you  
I try to know you  
But I can't grow you

Watch  
See me how I fly fast  
See me how I fly past  
No time for rest separate  
For the rest separate  
For the rest now  
Watch  
See me how I fly fast  
See me how I fly past

Please you will move quick  
You're making me real sick  
No go no chnace  
I don't slow I don't dance

I try to show you  
But I don't know you  
I try to know you  
But I can't grow you

Watch  
See me how I fly fast  
See me how I fly past  
No time for rest separate  
For the rest separate  
For the rest now  
Watch

See me how I fly fast  
See me how I fly past

If I say jump jump  
You say how high  
Standing like a mannequin  
Mannequins don't fly  
Don't swim don't grin  
Take it like a real man  
Take it fake it  
Then she ran  
(2x)

I try to show you  
But I don't know you  
I try to know you  
But I can't grow you
